4. Approval of the Agenda:
  - a. **Approved by GC.**
5. Announcements from the Chair-
  - a. I just wanted to address the threat made to the university yesterday. I feel like it's been a hard couple of days with what's going on in our country and in our community. I am here for you all and if you ever need to talk about literally anything, don't hesitate to reach out :)
  - b. Hello SBA! Today we'll mainly be talking about our tabling next Wednesday at Rosen.
  - c. I wanted to make some sort of guidebook or pamphlet for services UCF provides so students are aware of how the university can support them. I think it could be a good way for SBA to promote UCF services to students.
  - d. For Rosen tabling, we have ICTC helping out? Also, I know Senator Perez was in contact with Luke Brown, the head of Rosen Life, about promoting our tabling to make Rosen students aware. I was hoping we could work on creating a graphic and send it to the respective person to get that uploaded and ready for next week.
    - i. Perez: Varela, Lipner, Beneche, and Perez can be there (times OTW)
6. Announcements from the Vice Chair-
  - a. Hello guys! I hope everyone had a great week despite yesterday's debacle :0. Please sign up for the Rosen tabling that's happening this Wednesday, and I hope everyone's initiatives have been going well!
7. Announcements from Committee Members-
  - a. LJR Rep: Hi guys! This week in LJR we saw a lot of absences and approved all of them. There was no other business to attend to. Chair Gaudio was sick this past week, so he didn't bring any food for us.
8. Announcements from Non-Committee Members-
  - a. Lipner: We will be present for Rosen Tabling.
9. Old Business-
  - a. None.
10. New Business-
  - a. Initiative Updates:
    - i. Teodorescu: Emailed Parking and Transportation Services and Dining services about my initiative. I'm waiting to hear back.
    - ii. Nrusimhadevara: Talked to Rick Falco last week and he's willing to give us a 1k budget for this initiative. Since UCF is so large I think we agreed to start this project on the third floor of the student union bathroom by that little table looking thing in

between the water fountain and bathroom. I think the next steps are creating a list of things to go into this pantry and also figuring out how we should decorate/present it in the coming weeks.

- iii. Ali: None.
- iv. Ariza: None.
- v. Leon: Still waiting because they have to go through their legal process.
  - 1. Leon: They said that they would be open to tabling at 63 south, but it has to specialize around my resolution.
- vi. Metellus:
- vii. Perez: Intercampus outreach (Downtown, Rosen, Lake Nona) Reached out to ucf mobile, they said they would fix it but there haven't been any updates. Messaging them about adding the SBA concern form to the website; no response. Luke responded about promoting tabling. In ICTC they are working on getting seats from Lake Nona. We want to establish shuttle to the Rosen Career fair for the main campus people.
- viii. Renda: Meeting with Pharmacy Medical Director on Wednesday about having Opill in the pharmacy
- ix. Rudie: None.
- x. Smith: I met with the ELA this week and have confirmed the KoRT resources pamphlet and email that should be going out soon.
- xi. Simmons: I talked to the other Women in Film officers about the event and we want to have open submissions for any projects students of our RSO or any other film RSOs want to show and we were also maybe thinking of having our club advisor Betsy Kalin who works with the BFA documentary students to talk/resume critiquing possibly. Other than that, still figuring out exactly what I want to happen with the event.
