showcase where everyone has the opportunity to create a dance and place it on stage no matter their experience. This serves as a creative outlet for dancers who are interested. We are requesting funding for our venue that we use for our showcase along with an additional day of dress rehearsal. Specifics of funding include the venue itself, light and tech workers, custodial workers, and an administrator. We book this space for two days because it is important for us to be able to have a dress rehearsal at the venue before the day of the show to be able to place everything on stage. I am Grace Boyle and the Treasurer of KDDC and our President Haley Enea is also financially trained. This event requires a stage, lights, and a lot of audience seating as well as dates that work well with our company. Since our showcase falls at the end of the semester it is difficult to book this at UCF, so we use Hagerty High School.
