 - Hi Senate! Apologies I could not be here in person, but I hope you all have had a great week. Firstly, congratulations to DLEG Kaufman and Chair Sherman on becoming our chair and vice-chair of A&SF Committee! This week was another busy week with our amazing Political and Legal Info. Fair coordinated by GAC DeMarco, and our first Coffee with a Cop organized by S&T Coordinator Lopez! I had an incredible meeting with Dr. Chanda Torres with the Dixon Career Development Center team about all their new changes and opportunities to collaborate. Next week the Board of Trustees will be meeting Monday so the rest of this week I will be preparing for that. Have a great meeting tonight and a great rest of your week.

 - This past week, I had the opportunity to attend the Student Success Conference alongside other members of the Cabinet, where we engaged in discussions centered on enhancing student achievement and resources available to our peers.
 - Additionally, there were several fun events on campus this week. Congratulations to Allie and Emely on their successful events and contributions to the student body.
 - I also attended the initial A&SF Committee meeting. Congratulations to Chair Kaufman and Chair Sherman on their appointments and leadership roles as the committee begins its work for the semester.
- **Comptroller's Report (James Drinkwater, sga_comp@ucf.edu)**
 - Good evening! I hope you are doing well. I attended the A&SF Budget Committee meeting this week and I am looking forward to the year ahead, I wanted to extend my congratulations to Chair Kaufman and Vice Chair Sherman. The current CRT Balance is \$359,988.59 with a reversion rate of 0.0001 %. The current FAO balance is \$208,397.33 with a reversion rate of 0.0008%. The reversion rates continue to be low; however, as the allocations become inactive, we will likely see this percentage rise. I hope you enjoy the rest of your week and good luck on any exams, thank you!
- **Attorney General's Report (Jorge Altuna, sga_ag@ucf.edu)**
 - Hello everyone, I hope that you are having a great week. First, I have finished all revisions and fully published six opinions regarding Title VI. They are attached below in the agenda. This week I have been working on making sure all updates to Senate Rules and the Statutes are completed, and I have also been working with Supervisor Presley, Assistant Supervisor Collazo, Chair Chau, and EC to begin formatting statutory revisions. Additionally, since we are in a period of transition because we are hiring a Student Assistant and someone to replace Brodie's position, I will be taking care of minutes, so, for a temporary basis, if you could please CC me on your minutes, that would be very helpful so that Shane and Chantel do not have to forward it to me. Additionally, in between the time that Medhavi and Brodie had to step away from their roles, there were some documents (minutes, agendas, etc) that were unfortunately not uploaded to the website, so I am addressing that now. If you have any questions do not hesitate to reach out to me! Lastly, today I had my first conduct board hearing, and this week I had my first impartial advising, very excited to be able to participate in this. I hope you all have a great weekend.

- Director of Communications (Andy Ayup, sga_comms@ucf.edu)
 - Many things needed to be adjusted due to the crisis that occurred last week. I issued a statement on behalf of our organization that I hope you all felt was reflective of student government's stance in this situation. The physical and psychological well-being of the students will always be of top priority. If you need anything don't hesitate to reach out. I am working on creating a set of core values and a mission statement we can turn to in times of uncertainty. We never want to anticipate a crisis, but we do want to take the opportunity to prepare our organization for **moments of uncertainty**. This is what I hope these new SG Values and Mission Statement will do for us. If you have any ideas, let me know.
 - Other than that, we are slowly moving forward with the scheduled media calendar. This includes a beautiful Hispanic heritage month video that is scheduled to come out soon, and a new ask me about sg shirt design. Headshots are fully underway.
 - If you need anything in terms of communications and outreach, be sure to get with your comms liaisons ELA Reed and External Assistant Chief Justice Villadarez. Thank you.
- Athletics Coordinator (Dwayne Jones sga_athletics@ucf.edu)

Its a Tuesday and its from 10:00-12:00. There will be a small workshop and some fun activities! Also, sept 26th is the last day to attend "feel like home" art gallery, so if you're free, feel free to stop by or let me know and we can go together!
The previous Ginsberg fellows and i have been working on the interfaith council to start having meetings soon. I have been working with CAB cinema director and Shane on hosting a drive-in movie theater. I have met with the disability caucus chair senator Melo to discuss our initiative and future events to collaborate on. On that regard, it is suicide prevention month, so if you ever need anything please make sure to reach out to or check out CAPS. I am now working on intersectional art gallery and working on getting participants and the location. Finally, I also attended the open forum hosted by the NAACP so with that being said if you also ever need anything please feel free to reach out!

- Hello Senate. I hope everyone has had a good week.
- We are looking forward to welcoming our new commissioners upon their confirmation in E&A and Senate next week.
- The commission attended the first SGLC meeting yesterday. Most of us got our start in SGLC, so it was a full-circle moment for all of us! Assistant Supervisor Collazo and our committee chairs will be attending the meetings weekly to talk about the commission and give announcements. We are excited to build connections with the incoming class.
- The Election Commission has confirmed our theme for election week. The theme will be officially announced at our November event: the Prospective Presidential & Senate Candidates Q&A. At this event, the commission will go over the proper way to apply for candidacy without accruing any election violations and answer questions anyone may have in regard to pursuing a campaign. This event will be held on Wednesday, November 12th from 5:00-7:00 PM in the Live Oak Magnolia Room.
- Last week, the Election Commission had our first tabling event of the semester, and it was a success! Thank you Director Ayup for coordinating this, and we look forward to our next session.
- Chantel Carter, the Associate Director of OSI, will be filling in as our advisor until the position is filled. Assistant Supervisor Collazo and I will be meeting with her weekly to share commission updates and proactively plan for the spring election. We are excited about our partnership this semester!

- **Deputy Pro Tempore of Legislative Affairs Report (Ryan Kaufman, sga_dleg@ucf.edu)**
 - It has been a very busy two weeks, but a lot has been done.
 - If you haven't noticed already, there were a few organizational changes within the Senate channel regarding legislation. All legislation can be found now in just one folder titled "Legislation", and it is split up by type, and then if it is pending or signed.
 - If you remember, when legislation had received all of its signatures and was enacted, it was sent to all of our emails. This process is changing slightly, as now legislation that has been signed and enacted will be announced by me in my report. All legislation announced here can be found under the "Legislation" folder as well for you to view.
 - Legislation Signed & Enacted:
 - Fiscal Bills: 57-06, 07, 08, 10, 11
 - There is also only one legislation tracker now that will be used by everyone involved in this process. It is originally the one I created that has expanded now to include all relevant information. If you wish to view it, it is in the same folder as the legislation.
 - [Legislation- 57th Senate Session Tracker.xlsx](#)
 - If you wish to adopt legislation in committee, I know you have until the committee meeting time to send the Pro Tempore and myself an email notifying us, but try your best to inform us as soon as possible so I can send you back the legislation in its appropriate form for you all to review.
 - Today's Legislation
 - First Reading: 5 Fiscal Bills, 1 Internal Bill, 2 Resolutions, 1 Proclamation, 2 Constitutional Amendments
 - Third Reading: 2 Fiscal Bills
 - Second Reading: 3 Fiscal Bills
- **Deputy Pro Tempore of Senate Relations Report (James Kapinos, sgadsr@ucf.edu)**

 - Senate will also be having our first event next Thursday! It will be our terrarium event, we will be making mini terrariums in glass jars and all the materials have arrived, so I am excited to see you all there,
 - If you still haven't signed up, just react to the original message in the teams senate channel but there is a limited amount of spots so I have 30 containers,, yet an excess of supplies, so if you are not within the first 30 to sign up, then
 - RSO distribution will be getting updated as new senators fill in the empty seats so please keep track of your emails for any updates and to the master list if this distribution will affect the RSO's that you all are representing
 - The last thing I wanted to say is that the prior RSO deadline for contact was Aug. 29th and that was over 2 weeks ago so if you still have not sent out your emails please message me and the final dealing will be next Wednesday in order to stay in compliance.

 - DSER: Come to event Thursday, want to bring us together.
