 - i. Smith: For those that were not in the forum last week. We will talk about the threat and how a lot of students want to address it. We should have a forum in-person. Maybe have UCF PD and Caps. We should get the ball rolling, and it shows that we are here for support.
 - ii. Coordinator Jones: Really good idea! I have seen not such good things and a lot of people have been sharing. Will bring the morale up
 - iii. Diei: I a lot of people felt dismissed
 - iv. Smith: I will reach out to people
 - b. Informational of Awareness/Drills
 - i. Smith: This is Metellus idea, and we could bring up SBA. There are no drills or awareness if there is a shooting on campus. It would be good to have Caps there. It would be information about what to do if there is an active threat on campus. I want to have both done before the end of the fall semester.
 - ii. Diei: PD for both events
