- i. Hey everyone, I hope you're all having an amazing week. These are some of the things we've been working on. To begin, for our first committee outing we were thinking of going to chili's sometime this week. I've linked a when2meet in the agenda so we can try to find a time that works for all of us.
- ii. Secondly, our committee meetings have switched from weekly to bi-weekly, and our next meeting will be on September 17.
- iii. Third, we've created a photocircle to share and keep track of the photos we take during our various EC activities over the year, which is also linked in the agenda.
- iv. Fourth, for our second monthly event we wanted to have a potluck game night, where we can all bring food and play some board games. I'll be attaching a when2meet to try to find a time for next week or the week after, once we find a good time we plan on finding a space where we can host this event.
- v. Finally, our commissioner of the month form is finished, I've attached the form to the agenda. It's not necessary to fill it out now, however please start thinking of people you would like to nominate. Also please make sure I have your name, and doublecheck if I spelled your name correctly. As we get closer to the end, I'll be making sure we have enough submissions!

 - i. Hi everyone! I hope everyone is doing well in their classes and have had a great week so far! I'm not exactly sure if everyone is aware, however, Assistant Supervisor Collazo brought up to me potential revisions of [Title VI](#). Here they are right here, and it is hoped to be finalized by the end of October to start to get the ball rolling when it comes to passing it through.
 - ii. Last week in E&A, there was discussion of a Title VI overhaul, in which they rearranged the sections to increase the clarity of the document.
 - iii. Last week, we read and discussed the 2.14.25 and 2.28.25 violation hearings, which I would highly recommend looking over eventually the more we get towards the election season. From these hearings, we did start to gather ideas for what we would want to put in the ERP and maybe add it to the revisions of Title VI. If anybody has any questions about anything, please reach out 😊
- d. Announcements from Marketing and Outreach Chair
