- v. Note: Can mention transition binders for chairs and there's gonna be people who might not be used to leading a committee. Can personalize stuff for committees and just provide some guidance. Maybe leave a few ideas for them to start on too?
- vi. Most of our goals is to look at mostly finished products together and finalize them or to get feedback
- e. Other Potential Goals for IRC
 - i. Constitutional Judgement Panel, Declaratory Judgements Panels
 1. USF's system for Judicial Review
 2. Kind of a JRP revision, and letting the public know how we handle this
 3. Might help relationship between Attorney General and Justices
 4. Having panels to better define powers of AG and maybe make it a requirement to have people go through AG before asking our opinion.
 5. Can look through USF's statutes
 - ii. Code of Conduct
 1. The USF Supreme Court has its own Code of Conduct, but we don't have anything about how we should act and our relationships with the other branches and how to prevent conflicts of interest.
 2. Having something about Justices sitting on committees and caucuses.
 3. Our JRP only has rules, and we want more specificity.
 - a. Ex. If you violate the JRP and the following conduct(lower tier), you have this sanction
 - b. Ex. If you violate the constitution and statutes(higher tier), you have this sanction.
