## ELECTION COMMISSION

Legislative, Precedent, and Rules Committee  
Siesta Key Board Room  
August 21, 2025

- i. Overview: Taking a couple of minutes to review the documents above. Chair McCarthy has a rough draft of the Rules and Procedures that can be looked over. It is very similar to the Election Statutes, and it can be edited throughout the semester. Commissioner Phillips verified that the document was correct since it was accidentally swapped with the timeline. This is going to be uploaded into a file as we proceed with edits and that will start next week. We need to get familiar with the ERP so we can make adjustments. Familiarize yourself with the statutes so we don't adjust anything that goes against the statutes. So, when we do start to edit, it can be brought up to E&A and all good in that direction. Chair McCarthy believes that we are going to go over violation hearings and edit the ERP as needed and enter the precedent about hearings as well
