2. Hendricks: also wildlife conservation

a. Lipner: event ideas?

i. Hendricks: October 28th, memory mall reserved for conservation event called "keep UCF wild". Will be for those who don't understand what we are conserving and why. Will then do sustainability fair in the spring, this is the "why" before the "how".

3. Lipner: World wildlife, wetlands, water, oceans, biodiversity. Focus on "world" days for global perspective. International day of Education would be a good opportunity for a caucus-wide event. Earth Day and Arbor Day are the big ones.

a. Hendricks: Earth day is the big one, classic sweatshirt drop for that and will commission an artist for it. Want a rustic feel.
