Section of the JRP. Last Friday, Bella, Sam, and I met with the legislative fiscal chairs and AG Altuna and discussed their processes and how to approach them when drafting our appeals section. Join us this Thursday at 6 pm in the SG conference room!

d. JOC

- i. Good evening! We have confirmed all 5 panelists for Lounging with The Lawyers! The crafts with the council budget has been approved by committee. Also, we have reached out to lawyers to receive their bios, waiting on Jeff Elkins. We are working on an Lounging with The Lawyers guide as well as a crafts with the council and a lounging with the lawyers flyer. Remember next meeting is on Teams (last one, in hometown for religious holiday that night).

e. JAM

- i. Hi guys couple updates from me. First of all I would like to thank my lovely team they've been working hard on their projects, and I just wanted to take a second to highlight that. As for what we did this week, we discussed project statuses. That being said for our SGLC judicial tabling guide has a section for [FAQs](#) so if you guys could take a section to respond to that I would be very appreciative. We also talked about a course of action for our socials starting with Jovie's video and while that is still on the way we want almost all the justices in it so if you guys could put your name under what video you are interested in being in that would be great:
