1. Chair McCarthy: Gaps in the violation process and how to handle evidence and how we introduce the amendment process and nothing surpasses Title VI
- iv. SOE election period minimum
 1. Chair McCarthy: We are looking to adjust this in the case that no one has served in the previous election. It was noted that no other branch head must serve a year minimum before they are placed in their positions
- c. Title VI Adjustments
 - i. From E&A
 1. We talked about moving Chapter 600 and moving it to Appendix D
 2. Non committee Member: the document is supposed to be easily accessible, election commissioner should know there way around the document so it should be more about the students' needs
 3. Commissioner Aguiar: It would be beneficial to have the election commission first so that students don't get confused
 4. Vice Chair Calloway: I agree with Chair Chau as the Election Statues is for prospective candidates, so I don't think it will be beneficial for us to move A – D and D-A since candidates' sole focus is the elections statues. I actually believe that would make it more confusing for them
