The presentation will be like the one already created for the Q&A that MAO will create. I will be using Excel to create this tracker, and each commissioner will tell us which RSOs they will attend starting January 20th and go until the DoC. Please look for any further announcements, as I might need assistance this week.

  - ii. I did not receive any amendment suggestions on Google form. So as of right now, I'm assuming that none of you have amendment suggestions for me other than the ones that were provided to me by the supervisor and assistant supervisor. If you do have suggestions, please fill out the form by Wednesday afternoon at the latest, so I am sure that these are announced and potentially added or not added into the ERP by 4:45 that Thursday.
    - 1. The plan is to vote on the ERP this Thursday so if you do want come sit in on that meeting, I highly recommend you do so.
  - iii. There were no Senate confirmations this week. However, we did discuss the current updates with internal bill 57-17 (ASoE revisions and updates to title VI) after a meeting with Shane, E&A Chair Chau, and EC leadership. Just some formatting and content issues but hopefully shall be fixed/voted before the last Senate meeting of this semester. We also worked on title six rehaul as normal.
