8. New Business-

a. [When2Meet](#)

- i. Please fill it out; I know it is difficult to know the times for sure.

b. Fiscal Appeal Form

i. [Fiscal Appeal Presentation](#)

ii. [Fiscal Appeal JRP Language](#)

iii. Notes:

1. We can't change the timeline, which was what we were confused by.

2. Eligibility Page

- a. We could define what sanctions or decisions are for the students who are unaware.

iv. Eligibility Page

1. Fiscal Decisions

- a. Grady: Are these decisions only regarding sanction, or does it extend to the amount? How does that pertain to the expiration date question?

i. Chair Nerro: Maybe change to add "date of event?"

ii. Grady: What if there isn't a specific date, maybe add "reversion date"?

iii. Porlles: Clarifying if concern for the matter stems from whether funding will come in time

iv. Nerro: No, still set timeline, more so ensuring that the formatting of the form covers both fiscal decisions and sanctions.

v. Grady: Solution, split question into two to cover both

vi. IACJ Hoffner: Make conditional

vii. Nerro: Does not want to condition this page as you will have to condition next two pages

viii. Solution proposed:

1. Question 1 - "Have you previously requested funding from a fiscal committee?"

a. Grady: believes would cause student confusion as to history or current

b. Nerro: remove "previously"
